Versatile business monitors for various workspace

This versatile monitor can cover various works at many places, such as offices, public institutions, and customer service, with a clear IPS display and 3-side virtually borderless design.

All set for virtual meetings

The 24BA550 comes with built-in speakers, eliminating the need for extra speaker installations when participating in web conferences or watching videos.

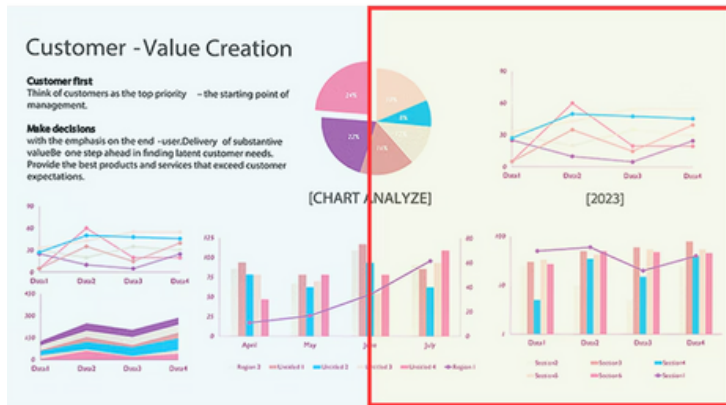

A variety of interface

The 24BA550 comes equipped with multiple ports, enhancing connectivity options for hardworking individuals. With its multiple ports, you can easily connect numerous devices for efficient desk setup.

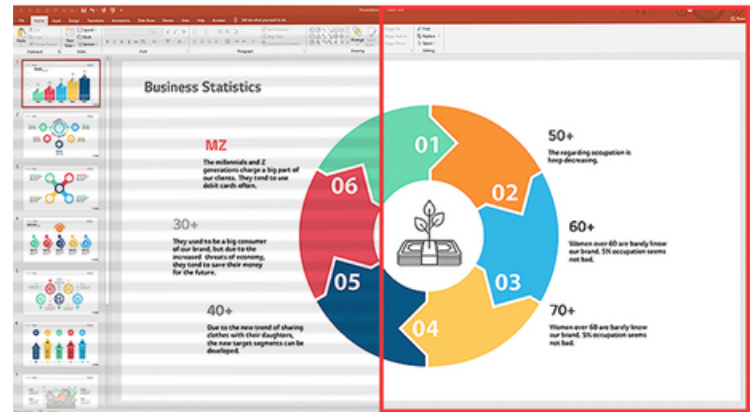

Smooth workflow

A fast 100Hz refresh rate provides a smooth loading in various programs. It helps to allow less screen stuttering and motion blur, elevating work productivity.

Reader Mode

Reader Mode adjusts color temperature and luminance that helps to lessen eye fatigue and provide eye comfort while reading documents on a monitor.

Flicker Safe

Flicker Safe reduces invisible flickering on the screen, which helps reduce eye strain.

Easy and comfy

The 24BA550 supports tilt, swivel, pivot, and height adjustment options to make a comfortable workstation for those who spend extended hours in front of monitors. Also, our ergonomic stand facilitates communication with customers or colleagues by allowing for a downward height adjustment.
