

AlphaX 8

2-Way surround speakers

FEATURES

- **2 way front bass reflex speakers to provide a fully immersive sound**
- **Large 8" woofer to provide an even sound for the surround channels as well**
- **Flexible mounting options**

The Alpha Acoustics AlphaX 8 is designed to be the perfect surround sound speakers for your private cinema. With its large LF, you won't miss the details in the low end. When used with the other speakers of the Alpha X family, the AlphaX 8 will deliver the immersive movie experience that you have been looking for.
