

AMBIENCE S10T

240W, 4Ω, Ceiling subwoofer
with 100V taps

FEATURES

- **High power ceiling subwoofer**
- **Built in transformer for 100V/70V operation with multiple taps**
- **Handles frequencies down to 35 Hz**
- **Steel enclosure with fire dome**
- **Easy installation and maintenance**

The Alpha Acoustics® AMBIENCE S10T is a high power ceiling subwoofer which can handle sub bass frequencies down to 35Hz. The compact design along with the metal fire domes makes it a perfect fit for applications where additional low frequencies need to be generated and space is a luxury. The AMBIENCE S10T compliments the entire range of Ambience ceiling and wall mount speakers and adds the additional low end that is required.
