

KYRA K4

3-way long throw column
speaker with bass reflex /
cardioid modes

FEATURES

- **3-way design for good speech and music reproduction**
- **Wide horizontal dispersion of 100 °**
- **Low frequency reproduction down to 85 Hz**
- **Long throw coverage of up to 25m**
- **Cardioid / Bass Reflex mode suits a wide variety of applications**
- **Multiple mounting options including wall mounting and flying**
- **4 X 4" LF drivers, 4 X4" MF Drivers and linear horn loaded 2 X1" HF compression drivers**

The Alpha Acoustics KYRA K4 is an excellent column speaker that reproduces both speech and music well. With a low frequency response that goes down to 85Hz, the speaker is a perfect fit for halls and houses of worship. The speaker has two modes cardioid / bass reflex that enables a wide variety of applications. The unique 3-way design along with the long throw capabilities makes it suitable for large spaces like town halls. The high frequency drivers are loaded on to a linear horn which ensures uniform coverage upto 25m.
